Distributors

LifeVantage markets its products through a network of independent contractors called Distributors. For purposes of this summary, an “Active Distributor” is a Distributor who executed a LifeVantage Independent Distributor Application and placed an order for products or promotional materials during the most recent three-month period. LifeVantage reported approximately 65,000 active Distributors for the Quarter ended June 30, 2015.

Compensation

The LifeVantage compensation plan enables Distributors to earn compensation early and often as they sell our products to their customers. Some elements of our compensation plan are paid weekly, allowing new

Distributors to quickly receive compensation. We believe more frequent payments of earned compensation help retain new Distributors by allowing them to experience success soon after becoming new distributors. We also offer a variety of incentive programs to our Distributors for achieving specified sales goals. Additionally, we offer various training resources to help our Distributors become more effective. We believe our compensation plan, incentive programs, and training resources help to motivate and prepare our Distributors for success.

Independent Distributor Motivation & Training

In addition to our compensation plan, we have established a broad array of programs and tools to support, motivate and train our Distributors, including:

- LifeVantage proprietary mobile applications;
- Professionally-designed training materials Distributors can utilize in their sales efforts;
- A wide variety of incentive programs and promotions; and
- Local, national and worldwide company-sponsored events.

LifeVantage and our Distributors conduct thousands of events to educate and motivate our Distributors each year.

Commissions

A Distributor can earn commissions based on the sale of products in his or her network to Customers and to sponsored Distributors in all countries where LifeVantage does business. A Distributor can also earn money from retail sales of product. LifeVantage also sells promotional materials that do not generate commissions for Distributors.

All Distributors

The following table shows the average commissions earned during the period September 1, 2014 through August 31, 2015 by Distributors at various ranks in the LifeVantage Compensation Plan, including the average percentage of total Distributors and the average earned commissions at each level.
